Product Care

Product Care	• DO NOT use ammonia based cleaners. DO NOT use any abrasives or polishes. NEVER use if cracked or broken. • Remove from hood if applicable. Wash with warm soapy water. Mild soap only. Rinse thoroughly. Pat dry with a soft cloth. • Always transport and store your faceshield, goggles, and glasses in a soft cloth bag to minize wear & tear. • Wash according to the instructions above to remove any contaminants in order to maintain performance when garment becomes soiled with dirt, greases, oils, etc. • If contaminants cannot be removed after laundering, it is best to discontinue use of garment.
